

A decade after the financial crisis, thousands of New Yorkers are still facing foreclosure. You can help by supporting affordable homeownership across New York City.

Fund the Mortgage Foreclosure Prevention Initiative: \$1,250,000

We'll work to stop homeowners from losing their homes to foreclosure by working with community-based organizations to provide foreclosure prevention services and by conducting advocacy with lenders.

- We'll serve **2,000** homeowners, and reach about 10,000 in total.
- Existing initiative funded at **\$1,000,000**, seeking an additional \$250,000.

Fund the Homeowner Tax Help Initiative: \$500,000

Too many homeowners are overburdened by taxes. We'll partner with the Council and community-based organizations to ensure that homeowners are prepared to navigate the new federal tax landscape, obtain exemptions and stay off the City's tax lien sale list.

- We'll conduct outreach to **6,000** homeowners.
- New initiative seeking Council support.

THE CRISIS BY THE NUMBERS:

12,702 HOMES ON THE CITY'S 90-DAY LIEN SALE LIST

3,628 NEW FORECLOSURE FILINGS IN 2017

RACIAL COMPOSITION:

52% AFRICAN-AMERICAN
23% WHITE
19% HISPANIC
6% ASIAN
